Supporting Documents:

Please enclose a map showing the location of the burial site. Please make the map as accurate and detailed as possible. If you have newspaper clippings, photographs, letters, deeds, or other documents that describe the site we would appreciate copies for our records.

Sketch Map (please use this space to sketch a map of the site, if one is not enclosed. Show any notable features such as fences, tombstones, mounds, houses, roads, etc. Make sure to label roads and other modern features and add a north arrow). You may also submit a digital image of the location from Google or other similar source.

Artifacts collected (please use this space to sketch artifacts, rock art, or other notable features of the site, if photographs are not enclosed). You may also submit digital images.
