

FFY 2021 CLG GRANT AWARDS

\$116,000 to Local Governments from Wisconsin SHPO

Each year, the Wisconsin State Historic Preservation Office (SHPO) awards 10% of its allocated federal Historic Preservation Funds to Certified Local Governments (CLG) throughout the state. All of Wisconsin's 73 CLGs are eligible to apply annually for subgrant funding for historic preservation planning projects.

CITY OF ASHLAND – ASHLAND COUNTY

A **\$6,000** grant was awarded to prepare a **National Register nomination** for Fifield Row, a district of six Queen Anne-styled cottages built as rentable homes during Ashland's rapid growth as a port city.

CITY OF DE PERE – BROWN COUNTY

A **\$12,000** grant was awarded to prepare **National Register nominations** for the Colonial Revival Nickolai House, the Neoclassical Kohl House, and the Contemporary Lenfestey House.

CITY OF GREEN BAY – BROWN COUNTY

A **\$50,000** grant was awarded for a **second phase of the city-wide survey** to document historic buildings and districts near the Downtown and the Fox River.

CITY OF PLATTEVILLE – GRANT COUNTY

A **\$7,500** grant was awarded to prepare **National Register nominations** for two buildings built in the 1860s: the Edward Davies House and Holy Trinity Episcopal Church.

CITY OF RACINE – RACINE COUNTY

A **\$13,500** grant was awarded to conduct a **neighborhood survey** around Horlick Athletic Field, and **\$10,000** to develop **design guidelines** for historic homes throughout the city.

CITY OF STOUGHTON – DANE COUNTY

A **\$17,000** grant was awarded to prepare an **update to architectural design guidelines** for the Main Street Historic District.
