Winning the War: In-Depth Battle Analysis

Name _____

Title of Map _____ Map Number _____

Date of Operation or Battle _____

Location of Operation (describe the region)

1. Which forces were involved?

2. Calculate troop strengths for the United States and Japan (if available on your map)
Add more lines if needed.

United States	Japan

3. Study areas of attack and troop movement. What observations do you make?

4. Write a summary paragraph (who, what, when, where, how) describing this battle. Conclude with any questions you still have about this battle that were not answered by the map study (for example, "How many soldiers died in this battle?")
