## Student Worksheet

Name \_\_\_\_\_

1. What common differences between the North and South can be gathered from the jokes and friendly banter that occurred?
2. What difficulties or problems at Camp Randall are mentioned in your article?
3. What tone did your article have? Did it imply something about the war? Give an example.
4. If you were a citizen of Madison in 1862, what would you make of Camp Randall and these prisoners? What opinion would you have about this situation after reading your article?
