INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Wisconsin Historical Foundation, Inc.
Madison, Wisconsin

We have audited the accompanying financial statements of Wisconsin Historical Foundation, Inc. and Wisconsin Historical Real Estate Foundation, Inc., which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

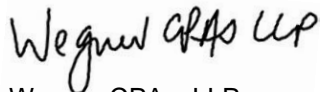

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wisconsin Historical Foundation, Inc. and Wisconsin Historical Real Estate Foundation, Inc. as of June 30, 2020 and 2019, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Adoption of New Accounting Pronouncement

As discussed in Note 1 to the financial statements, Wisconsin Historical Foundation, Inc. adopted the Financial Accounting Standards Board's Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, and all subsequently issued clarifying ASUs and ASU No. 2018-08, *Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, as of July 1, 2019. Our opinion is not modified with respect to this matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of activities by fund (summary) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
June 30, 2020 and 2019

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Wisconsin Historical Foundation, Inc., a nonprofit organization, was organized in 1954 exclusively for educational, scientific, and literary purposes. In keeping with its mission to support the programs and services of the Wisconsin Historical Society (Society), Wisconsin Historical Foundation, Inc. raises, manages, invests, and disburses funds to benefit the Society's activities.

Wisconsin Historical Real Estate Foundation, Inc. (WHREFI) was formed in December 2009 to partner with the private sector in innovative ways, and, through its activities, to offer creative opportunities for investment and to generate new assets and revenues for Wisconsin Historical Foundation, Inc.

Principles of Consolidation

The financial statements include the accounts of Wisconsin Historical Foundation, Inc. (WHF) and WHREFI (collectively referred to as the Foundation). WHREFI is consolidated since WHF has an economic interest in WHREFI and control of WHREFI through WHREFI's bylaws which limit the activities of WHREFI to those that are beneficial to WHF. All material intra-entity transactions have been eliminated.

Investments

The Foundation carries investments in equity securities with readily determinable fair values and all investments in debt securities at their fair values in the consolidated statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying consolidated statements of activities.

Accounts Receivable

Accounts receivable primarily consist of service fees to the Society. Accounts receivable are stated at the amount management expects to be collected from outstanding balances. As of June 30, 2020 and 2019, management has determined, based on historical experiences that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

Promises to Give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using a risk-adjusted interest rate applicable to the years in which the pledges are received. Amortization of the discount is included in contribution revenue.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Furniture and Equipment

All acquisitions of furniture and equipment in excess of \$5,000 are capitalized at cost or, if donated, at the estimated fair value on the date of donation. Software, computer equipment, and furniture are depreciated on the straight-line basis over estimated useful lives of 3-7 years.

Funds Held for Others

The Foundation has a fiscal agent agreement with the Society to collect receipts and make disbursements related to the Society Press. These amounts are not recognized in the Foundation's consolidated statements of activities. Cash receipts in excess of disbursements are reflected as funds held for others on the consolidated statements of financial position.

Contributions

Contributions received are recorded as increases in net assets without donor restriction or net assets with donor restrictions depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

Service fees

Expenses related to marketing services are fully reimbursed by the Society. The Foundation recognizes revenue and bills the Society monthly for all expenses incurred during the month by the Foundation in providing marketing services. The Foundation is entitled to an annual allocation related to development and membership services. The Foundation recognizes revenue monthly and requests payment for this allocation bi-annually, on December 31st and June 30th, for the previous 6 months.

Income Taxes

Wisconsin Historical Foundation, Inc. and Wisconsin Historical Real Estate Foundation, Inc. are exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

Advertising

The Foundation expenses advertising production costs as they are incurred and advertising communication costs the first time the advertising takes place.

Date of Management's Review

Management has evaluated subsequent events through December 11, 2020, the date which the financial statements were available to be issued.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Adoption of New Accounting Pronouncement

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The ASU and all subsequently issued clarifying ASUs supersedes the revenue recognition requirements and most industry-specific guidance in U.S. generally accepted accounting principles. The core principle of the new guidance is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also includes a cohesive set of disclosure requirements that will provide users of the financial statements with comprehensive information about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Foundation adopted the requirements of the new guidance as of July 1, 2019, using the modified retrospective method of transition. In applying the new guidance, the Foundation elected to use the practical expedient that allows the guidance to be applied only to contracts that were not complete as of July 1, 2019.

Revenue recognized over time primarily consists of performance obligations that are satisfied within one year or less. In addition, the majority of the Foundation's contracts do not contain variable consideration and contract modifications are generally minimal.

The adoption of the new guidance did not have a significant impact on the Foundation's financial statements. The majority of the Foundation's revenue arrangements generally consist of a single performance obligation to transfer promised goods or services. Based on the Foundation's evaluation process and review of its contracts with customers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new guidance.

In addition, on June 21, 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU provides a more robust framework for evaluating whether transactions such as grants and similar contracts with government agencies and others should be accounted for as exchange transactions or contributions. The ASU also assists entities in determining whether a contribution is conditional. The Foundation adopted the requirements of the ASU as of July 1, 2019. The changes in the ASU have been applied on a modified prospective basis, that is, the changes have been applied to agreements that are either not completed as of July 1, 2019, or entered into after that date.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expense Allocation

The financial statements report certain categories of expenses that are attributable to more than one program service or supporting activity. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses that are allocated include wages and benefits, which are allocated on the basis of estimates of time and effort.

The following program services are included in the accompanying financial statements:

WHF Operations: WHF was founded in 1954 and its operations are focused on the support of the Society's mission by providing philanthropic, financial, and operational services to the Society. As a supporting foundation, WHF must support financially its own operations while at the same time fulfill its mission to support the Society. Like other supporting foundations, WHF utilizes a number of revenue streams to support operating costs, including contributions, fees on the funds it holds, endowment distributions, and service revenue. WHF operations generate financial support for the Society initiatives and operations WHF and provides other support to the Society.

WHF Support for Society: WHF manages funds that support the Society's operations. These funds include endowments, spend-down funds, funds without donor restrictions, and a board designated quasi-endowment. Expenditures from endowments and spend-down funds restricted to the Society's programs and operations are managed through the Society's annual budget planning process. WHF informs the Society of available fund balances, and the Society's leadership determines funds to be transferred. Depending on the fund type, WHF charges fees for the management of funds. These fees help offset WHF operating cost.

Historic Preservation and Public History: The Society is the federally-designated State Historic Preservation Office (SHPO). In partnership with communities, organizations and individuals, the SHPO works to identify, interpret and preserve historic places for the benefit of present and future generations.

Library and Archives: The Division of Library, Archives and Museum collections acquires, preserves and provides access to documentary and artifactual evidence about the history of Wisconsin, the United States, and Canada. With over 4 million items, its genealogy and history collections are among the largest and most comprehensive in the world documenting North American history. The Society's Library and Archives is also the American History Library for the University of Wisconsin, an official depository for local, state and federal government publications, and the State Archives which preserves state and local government records of historical importance. The Area Research Center Network, a unique alliance between the Historical Society and the four-year campuses of the UW System, makes most of the archival collections available within easy driving distance of all state residents.

Museums and Historic Sites: The Division of Museums and Historic Sites collects and preserves the material culture of Wisconsin and interprets the state's history and prehistory for the public. The division fulfills its educational role through exhibitions, tours and a variety of public programs conducted at the Wisconsin Historical Museum in Madison, and at historic sites and other venues throughout the state.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Forward Campaign: Launched publicly on October 1, 2010, the *Forward!* Campaign marked the first major public capital campaign in the Society's history. The Campaign was initiated to enable the Society to transform the way it collects, preserves and shares the stories and priceless evidence of the past for people today and for generations to come. To achieve this, funds raised were used for four initiatives: (1) transforming Wisconsin's historic sites, (2) embracing new technology, (3) safeguarding world-class collections and (4) securing the Society's future by inspiring the broadest community possible to champion history.

Museum Campaign: To raise funds to support the planning, design, and construction of a new Wisconsin history museum.

Outreach and Engagement: The Office of Programs and Outreach helps people connect with their past by publishing books and magazines, providing expert professional advice to local historians, and supporting K-12 students and teachers. It also offers travelling exhibits and speakers to community centers, libraries, schools, and other organizations around the state, visiting hundreds of communities each year.

Wisconsin Historical Real Estate Foundation, Inc. (WHREFI): In March 2010, WHF formed the WHREFI, a separate 501(c)(3) non-profit organization, for the purposes of exploring, securing and holding new and different asset classes. The mission of WHREFI is to partner with the private sector in innovative ways and, through its activities, offer creative opportunities for investment and generate new assets and revenue streams for the Foundation. WHREFI may choose to hold these investments in order to garner future appreciation. Asset types may include equities, developable property, net lease property, and commodities, although it has no current specific strategies seeking donations in these areas. In the future, WHREFI may also seek to become a resource for owners, developers, investors, municipalities, and historic preservationists as historic properties are preserved using tax credit methodology.

NOTE 2—PROMISES TO GIVE

Unconditional promises to give are as follows:

	2020	2019
Receivable in less than one year	\$ 7,059,947	\$ 5,173,076
Receivable in one to five years	4,699,177	7,042,075

NOTE 5—POOLED INCOME FUND

The Foundation established a pooled income fund in 1991 to provide an additional source of funding for its programs. The fund is set up to receive donations in the form of life income gifts. When a donation is made to the fund, the donation is placed in trust with U.S. Bank, and the preponderance of income from the donation is distributed to the donor or his/her beneficiary during their lifetime(s). After the death of the donor or beneficiary, the remainder interest is transferred to the Foundation to be used as directed in the original gift agreement.

The pooled income fund allows local historical societies to be co-beneficiaries in the donation, if specified by the donor. The principal amount of the life income gifts is recorded as a contribution with donor restrictions at the fair market value of the amount donated to the Foundation, and as accounts payable for the amounts donated to local historical societies. Deferred revenue reflects the discounted value of the contribution for the estimated life expectancy of the donor.

NOTE 5—POOLED INCOME FUND (continued)

The estimated time period is calculated using the life expectancy tables provided by the IRS. At the death of the donor or beneficiary, the remainder interest will be recorded as additional revenue in a fund with or without donor restrictions, as directed in the original gift agreement.

The amount of the life income gifts not yet recognized as net assets with donor restrictions as of June 30, 2020 and 2019 was \$83,917 and \$81,385.

NOTE 6—NET ASSETS

The Foundation's board of directors has chosen to place the following limitations on net assets without donor restrictions:

	2020	2019
WHF operations	\$ 1,178,335	\$ 531,277

NOTE 7—INCENTIVE COMPENSATION

The Foundation has short and long-term incentive compensation agreements for certain employees. The total value of those plans at June 30, 2020 and 2019 was \$151,235 and \$129,505. These costs are fully accrued during the fiscal year in which they are earned.

NOTE 8—FAIR VALUE MEASUREMENTS

Fair values of assets measured on a recurring basis are as follows:

Assets at Fair Value as of June 30, 2020				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 8—FAIR VALUE MEASUREMENTS (continued)

The interests in limited partnerships and LLC's are not actively traded and significant other observable inputs are not available. Thus, their fair value is measured at the proportional share of the underlying assets as reported to the Foundation by their brokerage. Little information about those assets is released publicly. The estimated value does not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

The table below presents a reconciliation from the beginning balance to the ending balance of the beneficial interest in assets held by Limited Partnerships and LLC's measured at fair value on a recurring basis using significant unobservable inputs:

	<u>2020</u>	<u>2019</u>
Beginning balance	\$ 823,519	\$ 867,062
Change in value of limited partnerships and LLCs	<u>(38,715)</u>	<u>(43,543)</u>
Ending balance	<u>\$ 784,804</u>	<u>\$ 823,519</u>

NOTE 9—RETIREMENT PLAN

The Foundation sponsors a defined contribution plan covering employees meeting certain age and service requirements. The Foundation contributes up to 10% of the individual participant's compensation to the plan. Total expense for the years ended June 30, 2020 and 2019 was \$114,153 and \$114,289.

NOTE 10—COMPONENT FUND AT INCOURAGE COMMUNITY FOUNDATION

The Ruth and Hartley Barker Endowment Fund for the Wisconsin Historical Foundation, Inc. was established at Incurage Community Foundation in 2007 on behalf of the Foundation. Managed and held by Incurage Community Foundation, the fund is preserved and maintained as an endowment. Distributions shall be made according to Incurage Community Foundation's spending policy. The Ruth and Hartley Barker Endowment Fund for the Wisconsin Historical Foundation, Inc. will not be recorded in the Foundation's financial statements since all contributions are direct from the donor to Incurage Community Foundation. As of June 30, 2020 and 2019, this fund had a balance of \$2,718,277 and \$2,934,252.

NOTE 11—ENDOWMENT

The Foundation's endowments consist of 42 individual funds established for a variety of purposes. Its endowment includes both donor-restricted funds and funds designated by the board of directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

**WISCONSIN HISTORICAL FOUNDATION, INC. AND
WISCONSIN HISTORICAL REAL ESTATE FOUNDATION, INC.**
NOTES TO FINANCIAL STATEMENTS
June 30, 2020 and 2019

NOTE 11—ENDOWMENT (continued)

The Foundation is subject to Wisconsin's Uniform Prudent Management of Institutional Funds Act (UPMIFA) and thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board of Directors appropriates such amounts for expenditure. Most of those net assets also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of Directors of the Foundation has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Foundation considers a fund to be underwater when the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Foundation has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the Foundation and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the investment policies of the Foundation.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide additional income to fund programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period(s). Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results above the benchmark while managing risk. The Foundation's investment objective is for the value of investment assets, exclusive of contributions and withdrawals, to grow through returns generated by capital appreciation and investment income. The rate of return earned by the portfolio's asset classes is targeted to be at or above weighted, commonly accepted performance benchmarks.

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets investments to achieve its long-term return objectives within prudent risk constraints.

The Foundation has a policy of appropriating for distribution all investment income that the donor-restricted funds earned for use as the endowment originally intended.

As part of the Foundation’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Foundation’s board designated endowment assets could be made available to meet cash needs for general expenditures if necessary.

NOTE 13—SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 a pandemic. The ultimate disruption that may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on the Foundation’s financial position, changes in net assets, and cash flows. Possible effects may include, but are not limited to, disruption to the Foundation’s donors and revenues, absenteeism in the Foundation’s workforce, and unavailability of supplies used in the Foundation’s programs. Prior to June 30, 2020, the Foundation received a PPP loan for approximately \$273,000 and believed it had incurred the necessary types and amounts of expenses for total loan forgiveness. As such, the Foundation recorded \$273,000 of other revenue on the consolidated statement of activities as of June 30, 2020 under the In-substance Government Grant Model of accounting for PPP loans.
